Barrels	100% French Oak barrels, 15% New
Alcohol	14.5%
TA: (g/100ml)	0.55
pH:	3.60
Production	250 cases

Description: *Horse and Plow Winery merges the best of old and new world techniques to produce hand-crafted, authentic wines using only Organic Grapes grown in northern California. This Grenache comes from old vines grown in the warm Alexander Valley and was co-fermented with small amounts of Syrah and Mourvedre. It was punched down by hand in open-top fermentors, gently pressed then aged in French Oak barrels for 10 months. This wine was not fined or filtered.*

Tasting Notes: *A very versatile red wine with aromas of fresh raspberry, black cherry, plum and spice. In the mouth, flavors of bright wild berries and earth that finishes with fine balanced tannins and black pepper spice.*
