Description: *Horse and Plow Winery merges the best of old and new world techniques to produce hand-crafted, authentic wines using only Organic Grapes grown in northern California. This Pinot Gris comes from Filigreen Farm, located in the cool Anderson Valley. The grapes were hand-harvested at 23.5 brix, whole clustered pressed, fermented in French Oak barrels, and aged for 6 month sur-lee.*

Tasting Notes: *Straw colored with a lovely nose of pear, honeydew, lemon and lychee. Medium weight with lemon zest and green apple notes, vibrant acidity and a flinty, dry finish.*
