Horse & Plow Winery is owned by husband and wife team, Chris Condos and Suzanne Hagins. Together, we draw on our different backgrounds and talents to craft original wines from organic grapes. We started Horse & Plow in 2008 to merge the best of old

and new world techniques and produce authentic, hand-crafted wines. Utilizing organic farming, small lot fermentations and traditional techniques we make balanced, food friendly and site specific wines. Our organic vineyards dot the North Coast of

California; including Sonoma, Napa & Mendocino Counties. We work exclusively with growers who are committed to superior quality by using certified organic and/ or biodynamic techniques. These sustainable practices allow us to craft wines with greater complexity and sense of place, while caring for worker health and the environment. Organic doesn't stop when the grapes get to the winery- our wines are made naturally with no synthetic nutrients or additives; no GMO's, are vegan and contain low sulfites.
