Horse & Plow Winery is owned by husband and wife team, Chris Condos and Suzanne Hagins. We started Horse & Plow in 2008 to merge the best of old and new world techniques and produce authentic, handcrafted wines & ciders. Utilizing organic farming, small lot fermentations and traditional techniques we make balanced, food friendly and site specific wines & ciders. Our organic vineyards & orchards dot the North

Coast of California; including Sonoma, Napa & Mendocino Counties. These sustainable practices allow us to craft wines with greater complexity and sense of place, while caring for worker health and the environment. Our wines & ciders are made naturally with no synthetic nutrients or additives; no GMO's, are vegan and contain low sulfites. We strive to convey a sense of time and place in every handcrafted bottle, we hope you enjoy. To learn more about our organic winegrowing, please visit us online or in person.
